DEAN MURRAYSTATE ASSEMBLY

Dean Murray is Championing Ethics Reform:

Breaking the public trust needs to have serious repercussions. It's time for my colleagues across the aisle to put aside partisan politics and do what is right for the people of New York.

That's why I'm pushing for real ethics reform by supporting:

- Term limits for legislative leaders (A.4617);
- Pension forfeiture for officials convicted of felonies (A.4643); and
- A more open and transparent legislative process (A.8658).
