More than 10,000 New Yorkers are waiting for an organ transplant

GIVE THE GIFT OF LIFE.

Become an organ donor.

NEW YORK STATE ASSEMBLY

Only 25 percent

of all eligible New Yorkers are registered as organ donors.
This puts New York State second to last in organ donation registries in our country.

We must do better

We don't want to think about the sudden and unexpected loss of life.
But, if it happens, **one organ donor can save up to eight lives.**

Become a registered organ donor in New York State TODAY!

Please visit the New York State Department of Health website at:

www.health.ny.gov/professionals/patients/donation/organ/

to register and learn more about organ donations.

You can also register at your local Department of Motor Vehicles and Board of Elections.

For additional information, call **1-866-NYDONOR**.
