Dear Neighbor,

With work on the 2013-14 state budget concluded, there is much news to discuss both in our community and at the Capitol. I hope you find this newsletter to be informative, and I encourage you to contact my office with any questions or concerns you may have by calling 718-987-0197 or e-mailing malliotakisn@assembly.state.ny.us.

CONGRATS TO THE NYPD'S 68TH PRECINCT

The brave men and women of the NYPD put themselves in harm's way to protect our communities, and Brooklyn's 68th Precinct is a great example of how much good can come from that dedication. The precinct achieved a reduction in the seven indexes of crime in 2012, a great accomplishment that has helped strengthen our community.

OUR VETERANS DESERVE AN AFFORDABLE EDUCATION

Gridlock in Washington has led to the suspension of tuition assistance for our courageous veterans who were promised access to an affordable education when they signed up for military service and decided to lay their lives on the line in defense of our freedom. I've sponsored the Commitment to Military Education Act, which would provide tuition reductions for servicemen and women attending SUNY and CUNY schools. We must honor the promises we've made to our heroes in the military, and this legislation is the least we can do to support them.

VETERINARY CARE DAYS RELIEVE SOME FINANCIAL BURDEN FOR STORM VICTIMS

Over the last several months, I partnered with Companion Animal Network and Lush Cosmetics to host a series of free veterinary care days for animals affected by Hurricane Sandy, helping 150 pets. Not only have many pets been rescued from decimated homes, but many families are struggling to afford medical care for their animals with so many expenses cropping up as a result of the storm.
