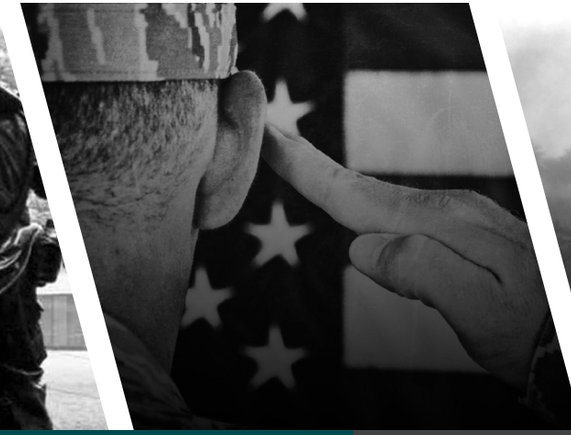
VETERANS PROGRAMS AND SERVICES



The Aid & Attendance Benefit

At the state and federal levels, our government recognizes the steep costs affiliated with long-term at home or nursing home care. In an effort to ease financial burdens there is a benefit to assist eligible wartime veterans and their families with costly day-to-day living expenses. In the event of sudden disability, veterans and their family members should consider this valuable benefit: veterans.ny.gov/content/aid-and-attendance-benefit

To find out if you or a loved one is eligible for any of these important services or to schedule an appointment with a Veterans Benefits Advisor, please call the New York State Division of Veterans' Affairs Help Line at 1-888-838-7697 (VETSNYS).
