Fighting every day for our families

Assembly Majority Leader Morelle is working to build a stronger New York

Putting more money in your pocket

- **Lowered property taxes** by $1.5 billion over the next 3 years in the form of rebate checks to homeowners
- **Created $350 rebate checks** for middle-class families with children

Making NY more business friendly to grow more jobs

- **Cut energy taxes on businesses and consumers** by $600 million over 3 years
- **Eliminated manufacturers' income tax**
- **Cut property taxes by 20% for manufacturers**
- **Reduced the business tax rate to its lowest level since 1968**, helping to lure more out-of-state companies to NY
- **Created tax-free zones** for businesses through START-UP NY

Giving our children a brighter future

- **Increased school aid by more than $1 billion** to improve our schools while reducing the burden on taxpayers
- **Reformed Common Core** to address parents' concerns and alleviate stress on students and teachers
- **Expanded access to quality, affordable child care** to help parents balance work and family

Combating opioid and prescription drug abuse

- **Increased access to treatment programs** to combat heroin, opioid and prescription drug addiction
- Improved accessibility to naloxone anti-overdose kits **to save lives**
- **Increased penalties** to prevent the distribution of illegal drugs
