KIDS * SENIORS * FAMILIES – THERE'S SOMETHING FOR EVERYONE!

Christmas in July Toy Drive

to benefit Kaleida Health's Women & Children's Hospital

Donate new, unwrapped toys to put a smile on the face of a local child dealing with illness. Drop off items at Assemblyman Walter's district office from now until July 25 or contact the office at 634-1895 for more locations.

Summer Reading Challenge

Did you know that children who read over the summer perform better in school? Throughout the months of July and August, keep track of when your child reads, and when they reach the goal they will receive a certificate. Contact my office at 634-1895 for this year's Summer Reading Challenge calendar and brochure.

Family Health Fair

in conjunction with Senator Michael Ranzenhofer, Assemblywoman Jane Corwin, and Kaleida Health

Take part in a fun-filled day of health education featuring informational displays, illness screenings and more on Saturday, August 2 from 9 AM-12 PM at the Amherst Senior Center, 370 JJ Audubon Parkway in Amherst.
