

Fed Up at the Pump?

Assemblyman **FRED THIELE**

Fighting to Give Motorists a "Summertime Holiday" from Gas Taxes

Assemblyman Fred Thiele and the entire Assembly Minority Conference are fighting to provide New York motorists paying record-high gas prices with a "Summertime Holiday" from the three separate state gas taxes on a gallon of gasoline and diesel fuel.

If you want lower gas prices, add your name to Fred Thiele's petition and join the thousands of your fellow New Yorkers who want a break from pain at the pump.
