ACCOUNTABILITY

Officials should work for OUR interests...
NOT THEIR OWN.

No one should have a **20-year grip over our legislature.** No career politician should be allowed to **use their position to further their own selfish interests** at the expense of our residents.

Under Dean Murray's plan, no one would.

The Public Officers Accountability Act:

- **EIGHT-YEAR TERM LIMITS ON LEGISLATIVE LEADERS**
- **A *REAL* INDEPENDENT ETHICS COMMISSION**
- **NEW LAWS THAT MAKE BREAKING THE PUBLIC TRUST A CRIME**
- **PENSION FORFEITURE FOR OFFICIALS CONVICTED OF FELONIES**
