DEAN MURRAY STATE ASSEMBLY

Fix the Law Now!

In 2015, a NY Court of Appeals ruling removed all local laws and restrictions on where convicted sex offenders can reside. **This means convicted sex offenders could soon be living near our schools, playgrounds and homes.**

That's why I've introduced A.8503 to restore control to our local lawmakers and help keep our communities safe.

Join me in calling for a safer and stronger New York.

Sign the petition to help get A.8503 passed at: FixtheLawNow.com

For information on this or any other legislative matter, contact my district office at 1735 N. Ocean Ave. Ste. A, Medford, NY 11763
