In order to appoint a health care agent, you must complete a health care proxy form. To learn more or to access the form, visit [www.health.ny.gov/publications/1430.pdf](http://www.health.ny.gov/publications/1430.pdf) or contact Assemblyman Murray's office.

## Senior Citizens Property Tax Exemption

Local Governments in New York have the option to grant an exemption from a portion of property taxes paid by senior citizens. With this program, your taxable rate could be substantially reduced. For more information call 518-457-2036.

The concerns of my constituents, especially senior citizens, are extremely important to me. I want to make certain that all those living throughout the 3<sup>rd</sup> Assembly District continue to have the best possible quality of life. It remains a top priority of mine to support legislation that protects our senior citizens, allowing them to live life comfortably.
