

Assemblyman AL GRAF

announces website that recognizes
veterans for their service to our country.

NYSalutesVeterans.com

The New York State Assembly Minority Conference has created a website to honor and salute those who have served to protect the freedoms we all hold dear. If you're a veteran, a parent of a veteran, the son or daughter of a veteran, grandchild of a veteran, or an active service member, please help us celebrate their service.

Recognizing Your Service

To honor the veteran in your family please visit NYSalutesVeterans.com and submit your veteran's information and photographs. It's a great way to recognize and honor those who served to protect the freedoms we all enjoy.

Contact Assemblyman Al Graf

Veterans or their families may contact Assemblyman Al Graf's office for more information on the website or any other legislative issue.

Dear Neighbor,

Those who join the American armed forces are a special group of people. They seek to preserve the mantle of freedom for the generations yet to come. These are the people who preserve liberty here at home while risking their lives abroad.

Our veterans have seen it all—from the beaches of Normandy to the jungles of South Vietnam and the deserts of the Middle East—and they deserve recognition from our state for their service.

This website offers us an opportunity to recognize those who have served or are presently serving. If you are the parent of a serviceman, the son or daughter of a veteran, or even a grandchild of a veteran, please visit this site and help us honor those who stepped up to defend our freedoms.
