

Standing up against corruption by stripping pensions from shameful politicians

“Long Island families have my word that I will fight for tougher laws to ensure our government works for the people. The pension forfeiture bill I helped pass brings us one step closer to making this law a reality.”

– **Assemblyman
Phil Ramos**

Phil Ramos has zero tolerance for political corruption.

Assemblyman Ramos passed a bill to restore integrity in our government and keep corrupt officials from retiring on the taxpayers' dime.

Did you know?

The bill must pass both chambers of the Legislature again next year. Once passed, it will be placed on the ballot as a public referendum for voters to officially amend the New York State Constitution.
