

IMPROVING OUR COMMUNITY

Andrew
GARBARINO
NEW YORK STATE ASSEMBLY

As your voice in Albany I have worked diligently to improve our local communities and am proud to announce that, in conjunction with the Town of Islip, have secured funding to begin a study on how we can improve our water conditions through the **creation of a new sewer district** encompassing Sayville, West Sayville, Bayport and Oakdale.

OUR SEWER DISTRICT PLAN WILL:

- Protect Our Local Environment
- Help Revitalize Business In Our Downtowns
- Improve Our Property Values
- Improve Our Community

I want to hear what you think!

Please contact my office with any questions, comments or concerns
