NEW YORK STATE ASSEMBLY

This year, along with the help of my colleagues in the legislature, I was able to secure a larger reduction in GEA than was proposed by Gov. Cuomo and will continue to work towards my ultimate goal of full restoration of the 2010 GEA education cuts.

Bay Shore Union Free School District:

Cuomo Proposed GEA Restoration	Enacted GEA Restoration	\$ Increase	% Increase
\$966,265	\$1,408,756	\$442,491	46%

We were also able to secure \$86.6 million in funding for our state libraries.
