The Most Deadly and Fastest Growing Threat:
Heroin and Prescription Drug Abuse - Protect Your Children

Joseph SALADINO
ASSEMBLY

**Assemblyman Joseph Saladino and his Task Force:
Providing Solutions to Protect Your Children's Lives and Safety.**

Assemblyman Joseph Saladino: A better system for preventing over-prescribing.

What is I-STOP?

(Internet System for Tracking Over-Prescribing)

-  **I-STOP** will make data available to pharmacists and medical providers in real time, curbing abuse and making pharmacies safer. I-STOP is designed to enhance the effectiveness of New York's current prescription monitoring program.
-  **I-STOP** will provide an effective system to avoid over-prescribing. Health care practitioners and pharmacists will be empowered with a system to help shut down drug trafficking and stop patients who seek to abuse prescription drugs.
-  **I-STOP** will help medical professionals detect potentially dangerous drug interactions. I-STOP data will identify conflicting medications and patterns of abuse, helping to prevent dangerous interactions and potential addiction before it starts.

Get Assemblyman Saladino's parental toolkit and resource guide on your mobile device!

ASSEMBLYMAN SALADINO HAS CREATED A HEROIN AND PRESCRIPTION DRUG ABUSE RELIEF TASK FORCE,

drawing on the experience of the experts from **YES Community Counseling Center, South Oaks Hospital, LICADD, Drug Free Long Island**, local law enforcement, licensed professionals and the parents of victims. The Task Force is providing workable solutions to this serious problem. The Task Force will push for amendments to the law to provide better safeguards, to improve prescription drug oversight, and to identify more effective rehabilitation methods.

Assemblyman Saladino and his Task Force announced the launch of his **Drug Awareness Tool Kit and Resource Guide** available for families, parents, medical professionals, pharmacies and community organizations. The Parental Tool Kit and Resource Guide can be downloaded on Assemblyman Saladino's web site at: <http://bit.ly/josephsaladino>. **Use this to protect your family at home.**

JOIN ASSEMBLYMAN JOSEPH SALADINO and his I-STOP initiative.

Here's how to do it:

- 1) Simply compose an email with the subject line: I support Assemblyman Joseph Saladino and his I-STOP initiative.
- 2) In the body of the email, please list your name and contact information.
- 3) Send email to: saladij@assembly.state.ny.us
