

Superstorm Sandy occurred almost two years ago. Assemblyman Joseph Saladino and Legislator Michael Venditto understand that for many it's not over.

Assemblyman Saladino and Legislator Venditto continue to work to assist residents recovering from the storm and flooding.

The Fight Continues...

Assemblyman Joseph Saladino and **Legislator Michael Venditto** have teamed up to continue the fight for families who are struggling with New York Rising, their insurance companies and banks. They realize much more needs to be done:

1. **Legislatively mandate deadlines by which insurance companies must respond.**
2. **Streamline the NY Rising process and deliver more assistance to Long Island families.**
3. **Reform the wind and floodwater insurance process so families are not denied coverage.**

**CALL ASSEMBLYMAN SALADINO'S OFFICE
IF YOU STILL NEED ASSISTANCE.**
