CHAD LUPINACCI IS LEADING THE WAY FOR MEANINGFUL TAX RELIEF!

Chad Lupinacci shares your concerns about the burdensome cost of taxes in Suffolk County. That's why he's leading the fight to reduce taxes by:

Easing property taxes with a record amount for STAR property tax relief;

Delivered nearly \$1 billion in new state education aid, helping to ease the burden on local property taxpayers;

Promoting an end to the practice of unfunded mandates, which force local governments and school districts to raise property taxes;

Advocating for local control over Medicaid services, allowing Suffolk County to choose what plan works best for us; and

Extending the lowest middle-class tax rate in 60 years and fighting to make it permanent.
