

The concerns of my constituents, especially senior citizens, are extremely important to me. I want to make certain that all those living throughout Huntington and Babylon continue to have the best possible quality of life. It remains a top priority of mine to support legislation that protects our senior citizens, allowing them to live life comfortably.

New York Public Health Law allows state residents to appoint a family member or friend to make their healthcare choices should they be unable to do so themselves. In order to appoint a health care agent, you must complete a health care proxy form. To learn more or access the form, visit www.health.ny.gov/professionals/patients/health_care_proxy or contact Assemblyman Lupinacci's office directly.

Enhanced STAR
