

# Summer Meals

“Summer meal programs help ensure our kids have access to **free healthy foods** while school is out.”

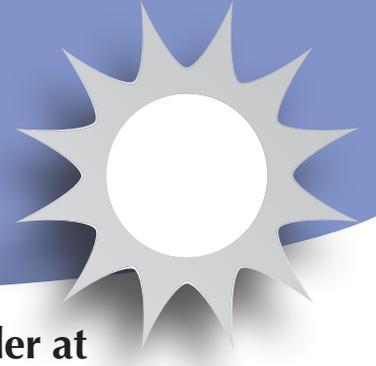

— Assemblywoman **Kimberly Jean-Pierre**

**There are  
no income  
or residency  
requirements  
and no forms  
to fill out –  
just show up!**

Many kids get free or reduced-cost lunches during the school year, but it's important to make sure they have access to healthy meals throughout the summer months too. That's why many local community centers provide free breakfast and lunch to children through the USDA's Summer Food Service Program (SFSP).

# Meals for kids
