

Dear Friend & Neighbor,

Assemblyman

Thank you for taking the time to fill out and return this edition of the Raia Report Survey. Your answers to this questionnaire help me to better represent you and your family in our state's capital. The survey should take about 20 minutes to complete. Don't forget to return your answers to my district office so that your voice can be heard.

As no survey can be comprehensive enough to address every concern, please do not hesitate to contact me if you have any thoughts on the issues you care about or if you have ideas for areas in which I should be concentrating my efforts. My work in Albany starts with listening to you.

Sincerely,

Andrew P. Raia
