Reform  
to work for You*

**ANDREW RAVA**  
**ASSEMBLY**

# WE ACCOMPLISHED **A LOT** IN 2012

- ✓ Closed a \$3.5 billion budget deficit
- ✓ State takeover of the growth of local Medicaid costs
- ✓ Voted to end prescription drug trafficking (I-STOP)
- ✓ Held the line on spending – No new taxes or fee increases
- ✓ Second year in a row for an on-time State Budget, first early State Budget since 1983

## **ASSEMBLYMAN ANDREW RAIA IS READY TO FIGHT FOR MORE!**

- > Protecting education aid for Long Island's children
- > Enact "Small Business Relief Act" to reduce the tax rate, lower energy costs and provide other savings to job creators
- > Implement a state spending cap to ensure future budgets limit spending growth
- > Suspend the state's sales tax on gasoline
- > Freeze entire local share of Medicaid costs
