

# Fighting For Equality

**ANDREW RA**   
**ASSEMBLY**

Assemblyman Andrew Raia knows the importance of women and their contributions to Suffolk County. Whether it's prohibiting discriminatory hiring practices, strengthening pay equity or protecting women from sexual harassment, Assemblyman Raia has fought for the successful implementation of a strong women's equality agenda.

### **How Assemblyman Raia helped level the playing field for women:**

- **Equal pay for equal work**
- **Prohibit discrimination against mothers in the hiring process**
- **Support mothers-to-be in the workplace**
- **Protect women from sexual harassment**
- **Reimbursement of attorney fees in successful discrimination lawsuits**
- **Strengthened human trafficking laws**
