

**More than 10,000 New Yorkers are  
waiting for an organ transplant**

**GIVE THE GIFT OF LIFE.**

Become an organ donor.

Assemblyman  
**DAVE McDONOUGH**

# Only 25 percent

of all eligible New Yorkers are registered as organ donors.  
This puts New York State **second to last** in organ donation registries in our country.

*We must do better!*

We don't want to think about the sudden and unexpected loss of life.  
But, if it happens, one organ donor can save up to eight lives.
