

**Interested in  
converting  
your  
home to  
Natural Gas?**

**Learn  
more  
April 21!**

**TOM McKEVIN**

***Dear Neighbors,***

As you know, the issue of providing natural gas to homes in Levittown has been a concern for residents for many years. To address this, I have been working with National Grid and our local officials to develop a proposed solution, which I will be pleased to share with you at an upcoming Community Meeting.

Please join me at a special Community Meeting to discuss the possibility of natural gas conversion for homes in Levittown. Representatives from National Grid and the Board of Levittown Property Owners Association will be on hand to outline the potential gas conversion of homes in our community.

As always, please do not hesitate to contact me or my staff to discuss this or any other state issue. We can be reached by email at [mckevitt@assembly.state.ny.us](mailto:mckevitt@assembly.state.ny.us) or by phone at (516) 228-4960. You can also join the conversation online by following me on Facebook.

Sincerely,

Tom McKeivitt, Member of the State Assembly
