

“Thank You
for the Honor of
Representing You!”

In the last four years we've accomplished a lot!
For the 2015-16 Legislative Sessions,
we have much more to do!

Putting Long Island First.

With the start of a new session in Albany, I wanted to again thank you for allowing me to be your voice in the New York State Assembly. Rest assured that I will spend every day fighting for you and our communities to make New York and Long Island a better place to live and raise a family. It is my priority to make our state the best place to affordably live and do business, ensure our children receive a quality education, and root out Albany's corruption.

Please know that my office is always open to you! Do not hesitate to contact us with any concern or issue you may have. My office is here to help. Please call, email or Facebook us!
