CURRAN
 NEW YORK STATE ASSEMBLY

While obtaining the **Largest Increase** since 2011, Assemblyman Brian Curran fought against the governor's punitive education proposals that will hurt our children, teachers and schools. These proposals demand high-stakes testing, are burdensome mandates on our school districts, and take away local control by putting our children's futures in the hands of faceless bureaucrats.

Malverne Union Free School District:

\$ Increase since 2014	% Increase	\$ Increase since 2011	% Increase
\$745,032	8.10%	\$2,311,383	30%
