Executive Deputy Commissioner Terri Egan  
Department of Motor Vehicles  
6 Empire State Plaza  
Albany, NY 12228

Dear Commissioner Egan,

It has come to my attention that the New York State Department of Motor Vehicles Mobile Outreach Program was discontinued in 2009 and has not since been reinstated. I would like to take the time to urge the reimplemention of this vital program in both my district and in communities throughout the state. This program benefits the most vulnerable citizens in my community, senior citizens and the disabled. These individuals may struggle traveling miles to the nearest branch of the Department of Motor Vehicles only to wait in line for hours.

The Mobile Outreach Program is an extremely valuable resource for my constituents by increasing accessibility to the Department of Motor Vehicles while greatly reducing the wait time to see an official. I'd like to take the time to discuss this very important issue with you personally. I can be reached at (516) 561-8216. Thank you for any assistance.

Sincerely,

A handwritten signature in black ink that reads "Brian Curran".
