March 2014

PROPERTY TAX ASSESSMENT WORKSHOP

Thank you to everyone who came out for my Property Tax Assessment Workshop! With the help of the New York City Tax Commission and the New York City Department of Finance, we were able to assist hundreds of homeowners with their property taxes. As a homeowner, you have the opportunity to appeal the assessed value of your property with the NYC Tax Commission until March 17th for one and two family homes, or March 3rd for co-ops and condos. If you have any questions about your assessed property value, please contact my office at 718-820-0241.

CELEBRATING LUNAR NEW YEAR IN FLUSHING

I joined Mayor Bill de Blasio, Public Advocate Letitia James, Comptroller Scott Stringer, Queens Borough President Melinda Katz, Representatives Joe Crowley and Grace Meng, State Comptroller Thomas P. DiNapoli, State Senator Toby Stavisky, Assemblymembers Ron Kim and Ed Braunstein, Council Members Peter Koo, Mark Weprin, and Paul Vallone, Peter Tu, Paul Yoo and other community leaders to celebrate Lunar New Year in Flushing. Happy Year of the Horse to everyone celebrating!

GREENMARKET IN CUNNINGHAM PARK

I have been working with Community Board 8 and local civic leaders to bring a greenmarket to Cunningham Park this summer. This greenmarket would provide residents with an opportunity to buy fresh produce from local vendors. If you are interested in being a part of this initiative, please contact my office 718-820-0241. *Additionally, Community Board 8 will be holding a Parks Committee meeting on the subject on Thursday, March 20th at 7:30PM at 197-15 Hillside Avenue.*

COMMITTING TO VISION ZERO

Traffic safety for pedestrians, bicyclists, and drivers has been a priority of mine. That is why I joined Allison Liao's family from Fresh Meadows and families from around the city at a candlelight vigil to remember over 300 traffic collision victims. I am committed to working with Mayor Bill de Blasio on Vision Zero to make our streets safer. I will continue advocating for safer bike lanes, more efficient traffic calming measures, and clearly marked routes for all in Queens.

FIGHTING FOR BAYSIDE STUDENTS

I joined Congresswoman Grace Meng, Assemblymember Ed Braunstein, and Council Members Mark Weprin and Paul Vallone to call on the New York City Department of Education to ensure that all families in District 26 have fair and equal access to education, including the Gifted and Talented program.
