

A report to the 25th Assembly District from
**ASSEMBLYWOMAN
NILY ROZIC**

December 2014

PROTECTING RENT STABILIZED TENANTS

Each year thousands of affordable housing units are lost to deregulation. I joined my colleagues in government and housing advocates to announce a campaign to push for stronger rent regulation laws for the upcoming year. I will continue to support our families and ensure that New York is affordable for all.

ENCOURAGING STUDENT DEMOCRACY IN OAKLAND GARDENS

I had the honor of speaking to P.S. 213 students about the importance of running for office. At the Student Assembly, candidates read speeches to classmates telling them why they should be elected. These students will be great future leaders in the community!

INCREASING CIVIC PARTICIPATION

I had the opportunity to meet with the Chinese American Voters Association to discuss the importance of voting. Dedicated to encouraging civic participation, CAVA continues to play a vital role in our community. If you would like to learn more about CAVA, please contact my office.

RECOGNIZING OUTSTANDING SCHOOLS

Congratulations to PS/IS 499 for receiving a National Blue Ribbon Award! Principal Helene Jacob along with the staff at PS/IS The Queens College for Math, Science and Technology are doing incredible work in providing these students with an amazing education!

CELEBRATING THANKSGIVING IN FLUSHING

It is always great to celebrate the holidays with seniors in our community. Continuing tradition, I visited the Scheuer House in Flushing for their pre-Thanksgiving dinner to partake in festivities and discuss community issues with local residents.
