January 2015

MEETING WITH DOUGLASTON RESIDENTS

I met with local residents of the Douglaston Townhouse Condominium and walked through the neighborhood discussing quality of life issues and community opportunities to work together on in the future.

PLANNING FOR THE LUNAR NEW YEAR

I joined the Flushing Chinese Business Association at the Annual Lunar New Year Parade Planning Meeting. The parade will be held in downtown Flushing on February 21st. I joined Congresswoman Grace Meng, State Senator Toby Ann Stavisky, Assemblymember Ron Kim, Council Member Peter Koo, and the 109th Precinct in welcoming everyone to join in celebrating good fortune and prosperity for the New Year.

CELEBRATING THE HOLIDAYS

To ring in the holidays, I joined Congresswoman Grace Meng, Council Member Paul Vallone, Rabbi Yossi Blesofski of Chabad of Northeast Queens, and the Bayside Hills Civic Association for the Grand Menorah Lighting in Bayside. It is always great to gather with local families and celebrate the holidays!

HONORING FRANCIS LEWIS HS JROTC

Congratulations to the Francis Lewis JROTC program for being recognized nationally as an Honor Unit with Distinction. I joined State Senator Toby Ann Stavisky in presenting them with a New York State Citation in honor of the achievement.

REFORMING “NEW YEAR’S EVE” PERMITS

I introduced legislation (A268) to reform the application process for the “New Year’s Eve” permits that allow businesses to continue serving alcohol after 4 a.m. My bill would include Community Boards in the application process by requiring businesses to notify them of their intent to apply. With businesses set to benefit from extended hours, we need to ensure that there is no undue burden on a neighborhood’s quality of life.
