Important changes to EPIC effective:

July 1, 2011 and Jan. 1, 2012

Senior Alert!

Assemblymember Vivian E. Cook

Dear Friend,

The 2011-2012 budget has made significant changes to the Elderly Pharmaceutical Insurance Coverage program (EPIC). EPIC has served as the state's prescription plan for seniors aged 65 and older who have incomes of \$35,000 or less if they are single, or \$50,000 or less if they are married.

Beginning July 1, 2011, EPIC, which provides assistance for Medicare Part D Prescription Drug Plan premiums for its Fee Plan participants, will extend this assistance for low-income Deductible Plan participants who have an annual income less than or equal to \$23,000 if they are single, and \$29,000 if they are married. This assistance will be paid directly to Medicare Part D. All participants will be responsible for any additional amount to pay the premium in full.

Beginning Jan. 1, 2012, the Fee and Deductible plans will be replaced by one level of coverage that is described on the reverse and will no longer be considered creditable coverage under Medicare Part D. If you don't choose to enroll in a Medicare Part D plan and you don't have creditable coverage under another plan, you will be penalized if you choose to enroll in a Medicare Part D plan at a later date. "Creditable coverage" is coverage that pays on average at least as much as the standard Medicare Part D plan.

Additional details of EPIC changes are provided in this brochure or can be obtained by calling the EPIC hotline, also listed.

Sincerely

Vivian E. Cook Member of Assembly

EPIC currently has two plans:

1. FEE PLAN

Participants pay an annual fee to receive EPIC coverage based on the participants' income and can be paid in convenient quarterly payments.

2. DEDUCTIBLE PLAN

There is no fee to join this plan. Instead, you pay full price for your prescriptions until you reach your deductible, which is based on your income. EPIC keeps track of how much you spend. You don't have to save receipts. After you reach your deductible, you save more than half for the rest of the year.

Important: The Fee Plan and Deductible Plan will be replaced by one level of coverage, effective January 1, 2012.

EPIC change, effective July 1, 2011

Beginning July 1, EPIC will provide assistance with Medicare Part D premiums only for participants with annual incomes less than or equal to \$23,000 if single and \$29,000 if married.

EPIC changes, effective Jan. 1, 2012

- EPIC will no longer be considered "creditable coverage" under Medicare Part D. "Creditable coverage" is coverage that pays on average at least as much as the standard Medicare Part D plan.
- In order for you to remain in EPIC, you will be required to enroll in a Medicare Part D plan without exception by December 31, 2011, or be removed from the program. EPIC will facilitate enrollment in Medicare Part D.
- EPIC will provide assistance with prescription drugs only during the coverage gap, called the "donut hole" phase of Medicare Part D, and only

- for drugs on participants' Part D plan formulary. There are certain narrow exceptions.
- EPIC will only have one level of coverage for all participants, instead of the current Fee Plan and Deductible Plan.
- Income eligibility will remain \$35,000 or less for single participants and \$50,000 or less for married participants.
- There will be no registration fees or deductibles for EPIC coverage and no annual limits on copayments.
