Aging is inevitable. How we age is not. Caregiving for Aging Parents 101 Workshop

Are you:

Helping care for your parents and in laws (and maybe taking care of children as well)?
Seeing your parents/in-laws slow down and realize that soon you'll be needing to focus on their aging needs? Trying to avoid the future by just not thinking about it?

The workshop is **FREE** (space is limited), so please register by RSVPing to:
Reisgrub@heightsandhills.org so we can plan accordingly.

Sincerely,

James F. Brennan
Member of Assembly
