Pamela Harris

Proud to call Brooklyn home.

As a former correction officer and founder of Coney Island Generation Gap, I've dedicated my life to helping our community thrive, and now I'm honored to serve as your representative in the New York State Assembly. I am humbled by the faith and confidence you've shown in me, and I look forward to working for you. I'll fight to bring more good-paying jobs here, to give our children the educational opportunities they deserve and to make our streets safe by strengthening gun-safety laws.

My office is here to help

- Obtain benefits, government forms and applications
- Learn about HEAP, STAR, EPIC or other government programs
- Replace lost medals or awards for veterans
- Answer any questions on New York State government
- Develop legislative solutions to community problems
