

# Assemblyman Lentol

*I'd like to  
introduce myself*

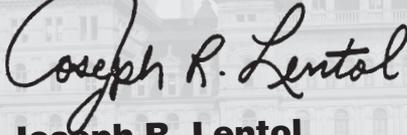

**Dear Neighbor,**

I'd like to introduce myself as your new state Assemblymember. I'm very grateful for the opportunity to represent you in Albany.

As you may know, new lines have been drawn for New York's legislative districts – a process done once every 10 years. Population shifts and community interests were taken into consideration to ensure North Brooklyn families have an influential voice in our state government.

As the representative of the newly formed 50<sup>th</sup> Assembly District, I look forward to hearing from you on important issues, so I can fight for what matters most to our families. Below is my contact information. If you have any questions or comments, please do not hesitate to reach out to me.

**Sincerely,**
