State Comptroller Tom DiNapoli and Assemblyman Felix Ortiz Announce Brooklyn Job Growth

Brooklyn's economy is adding jobs and businesses at a faster pace than the rest of New York City according to an economic report released by State Comptroller Thomas P. DiNapoli. "Business in Brooklyn is booming and people want to live there because of the borough's economic opportunities, its diversity and its outstanding schools, museums and nightlife," DiNapoli said. "We are proud to be the borough of choice and we will continue to work together to grow jobs along the waterfront and provide services for the community to accommodate the growth" said Ortiz.
