**INTEGRITY
FIRST**

ALBANY POLITICIANS HAVE LET US DOWN.

34

politicians have been **charged, indicted,** and **forced from public office** since 2002 because of **corruption charges** and we still have not resolved the issue. **This must end.**

As your voice in Albany, I support a comprehensive ethics reform plan that will hold public officials accountable and restore your trust in state government.

Assemblyman Ron Castorina's Plan To Clean Up Albany's Culture of Corruption:

- ▲ Strip corrupt politicians of their pensions;
- ▲ Term limits for career politicians;
- ▲ End bid-rigging;
- ▲ Close loopholes and take special interests out of the political process; and
- ▲ Level the playing field so everyone's voice can be heard.
