## OVER THE LAST SEVERAL MONTHS, A LOT OF GOOD NEWS HAS EMERGED FROM THE CAPITOL FOR LOCAL TAXPAYERS. HERE'S HOW I'VE MADE OUR VOICE HEARD IN STATE GOVERNMENT:

- Cut middle-class tax rates to their lowest point since 1953.
- Capped prescription co-pays at \$20 through restorations to the EPIC program.
- Protected the right of spousal refusal to make long-term care affordable for families.
- Ensured that your estate belongs to your loved ones, not big government, by blocking the state from charging a deceased New Yorker's beneficiary for their loved one's medical care.
- Expanded the State's DNA database to keep criminals out of our community and behind bars where they belong.
- Fought for the sunset of the sales tax on clothing items under \$110.
- Preserved funding for senior centers and Access-a-Ride services.
