JOBS

- To create an environment that promotes job growth, I've voted against policies that would tax businesses to death.

What strategies have helped or hurt your quest to establish a career?

EDUCATION

- Like so many Americans, I'm still paying off my student debt.

How are high tuition and loans affecting you?

TOLLS

- I'm leading the fight against the constant toll hikes we are faced with on the Verrazano Bridge and the New York-New Jersey Crossings.

How are toll increases affecting you?

TRANSPORTATION

- We fought for 24-hour service on the X1 and weekend service on the X27 and we won!

What transportation options do you need that you don't have?
