The Importance of a Health Care Proxy,
Living Will & Power of Attorney

Assemblywoman

**Nicole
Malliotakis**

BENEFITS OF ASSIGNING A HEALTH CARE AGENT:

- Someone you love/trust determines your healthcare, rather than a stranger;
- In the event that you cannot make decisions about medical treatment, a plan is already determined;
- Your appointee can take into account quality of life when determining appropriate treatments; and
- A loved one will put your best interests at heart.

Assemblywoman Nicole Malliotakis is joining healthcare specialists and local attorneys to host a free event on Health Care Proxies, Living Wills & Power of Attorney. Learn the basics of these tools and have an opportunity to fill out a Living Will and Durable Power of Attorney Form.
