Fighting every day for Bronx families

Assemblyman Gjonaj is working to build a stronger Bronx

Putting more money in your pocket

- **Provided much-needed tax relief** to homeowners, condo and co-op owners and renters by factoring in household income
- **Increased stable, affordable housing** for seniors by expanding the Senior Citizen Rent Increase Exemption (SCRIE) program
- **Expanded access to quality, affordable child care** to help parents balance work and family

Giving our children a brighter future

- **Increased state aid to NYC schools by more than $435 million**
- **Secured $600 million over 2 years to create full-day Universal Pre-K** so that all children start out on the right path
- **Helped pass the Smart Schools Initiative,** a $2 billion bond act that would help construct new pre-K classroom space and replace classroom trailers with permanent space
- **Working to reduce overcrowding in schools** so that our students can get the top-notch education they deserve

Combating opioid and prescription drug abuse

- **Increased access to treatment programs** to combat heroin, opioid and prescription drug addiction
- Improved accessibility to naloxone anti-overdose kits **to save lives**
- **Increased penalties** to prevent the distribution of illegal drugs
