- ✓ **Strengthening penalties for texting while driving** for young drivers because inattention and inexperience is a deadly combination (Ch. 91 of 2013)
- ✓ **Increasing penalties for repeat child abusers**, ensuring these heinous criminals stay behind bars (Ch. 172 of 2013)
- ✓ **Cracking down on drunk drivers** by tightening the ignition interlock requirement that prevents the car from starting if the driver is intoxicated (Ch. 169 of 2013)
