

# **Assemblyman Luis R. Sepúlveda: Making Parkchester Safer for Pedestrians**

## **Improvements include:**

- Lowering the speed limit to 20 mph within Parkchester
- Installing more speed bumps
- Installing new traffic lights on Starling Avenue
- Reducing truck traffic on roadways

*Assemblyman Sepúlveda meets with DOT representatives to discuss reducing truck traffic through Parkchester.*

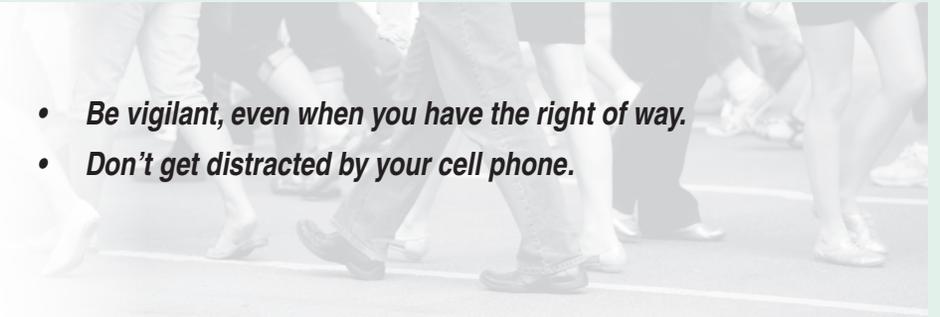

*“Parkchester residents deserve to be able to walk their neighborhood streets without fear of being hit by a vehicle. These new improvements will help make Parkchester a safer place for every resident and create a more welcoming environment for those from outside the area.”*

*– Assemblyman Luis R. Sepúlveda*

### ***Additional Tips for Pedestrian Safety:***

- *Walk on sidewalks.*
- *Cross only at street corners.*
- *Pay attention to “Walk/Don’t Walk” signals.*
- *Be vigilant, even when you have the right of way.*
- *Don’t get distracted by your cell phone.*
