WHAT IS THE ASSEMBLY ?

The Assembly is part of the New York State Legislature. The Assembly has 150 members, who represent 150 different parts of New York State. These areas are called districts.

The Assembly passes bills and enacts laws that help people throughout the state of New York.

The Assembly meets in Albany every year for a legislative session. The room where the Assembly meets is called the Assembly Chamber – located in the New York State Capitol.

State Tree

The sugar maple was chosen as the state tree in 1956.

State Flower

The rose was chosen as the state flower in 1955.

State Fruit

The apple was chosen as the state fruit in 1976.

NEW YORK FUN FACTS

- Over 1,500,000 gallons of water per second go over Niagara Falls, which is one of the biggest waterfalls in the world.
- New York State has 62 counties and 62 cities, but there isn't a city in every county.
- New York has over 70,000 miles of rivers and streams.
- The Hudson River is the state's longest river at 306 miles.
- The first election for governor took place between Philip Schuyler and George Clinton in 1777. Clinton won and served as governor for the next 18 years.
- Albany became the state capital in 1797. Kingston was the first capital, from 1777 until 1797.
- Adirondack Park is larger than Yellowstone, Yosemite, Grand Canyon, and Glacier parks combined.
