Ensuring Our Children
Receive a Quality Education

Local students join Assemblyman Buchwald to hand-deliver over 2,000 Valentine's Day cards to veterans.

“We need to provide each and every child with a great education.” — Assemblyman David Buchwald

Increasing School Aid

Last year, Assemblyman Buchwald fought for and won additional funding for Westchester schools. He'll continue to push so that our schools get the funding they need.

Fixing Common Core Implementation

Assemblyman Buchwald knows that improving our schools shouldn't mean intense pressure and anxiety for students.

Protecting Our Children's Privacy

Buchwald believes that sensitive student data must be safeguarded and used only for valid educational purposes.
