Look inside to learn
**How this year's
state budget
helps you**

**“The health
and safety of our
loved ones always
comes first.”**

**State Assemblyman
David Buchwald**

Assemblyman David Buchwald Fought for New Laws That:

✓ **Protect you from surprise medical bills** if you're unknowingly treated by an out-of-network doctor

✓ **Expand eligibility for EPIC**, the Elderly Pharmaceutical Insurance Coverage program, to help lower prescription drug costs

✓ **Ensure that you won't lose your life savings** if your spouse needs long-term care

✓ **Reform the estate tax** by raising the threshold from \$1 million to \$5.25 million over the next four years, helping ensure that homes and small businesses are passed on to your loved ones, not the tax collector
