

# Assemblyman David Buchwald

## Saving jobs made in America

**“New York should send a message that environmentally sustainable and innovative companies that want to produce jobs here in New York are welcome in the Empire State.”**

**— Assemblyman Buchwald**  
The Journal News, March 21, 2014

*Encouraging innovation. Supporting economic growth.*

# Assemblyman David Buchwald Fought to Keep Tesla Open for Business in New York State

**Assemblyman Buchwald led the charge** in opposing a bill that would have forced electric car company Tesla to close its facilities in Mount Kisco and White Plains.

**Assemblyman David Buchwald**

**March 21**

**Buchwald announces he will fight a bill that would have banned direct sales of Tesla cars in New York State** (A.7844)

**May 12**

**Updated legislation – with Buchwald’s hard-fought changes to save Tesla – passes the Assembly** (A.7844-B)

**June 16**

**The governor signs the bill into law, allowing Tesla facilities to remain open and saving local jobs** (Ch. 26 of 2014)
