# Assemblyman Buchwald

Delivered for Westchester families by:

- ★ **Increasing state aid to our local schools** to provide high quality education and ease property tax burdens
- ★ **Investing in our local infrastructure to repair roads and bridges**, thereby increasing the quality of life for Westchester residents
- ★ **Cutting middle class taxes to the lowest rate in 70 years**, thereby saving New Yorkers an average of \$698 per year when fully phased-in
- ★ **Working to restore the public's trust in state government** by successfully passing a historic constitutional amendment to allow the **stripping of pensions from corrupt public officials**.
