

**Our Kids Deserve
a Fair Chance at
a Bright Future.**

A MESSAGE FROM
Steve Katz

New York State Assemblyman, 99th District

Assemblyman Steve Katz has a plan to give our students a fair chance at a bright future by creating greater accountability, and giving students the tools they need to succeed.

- Promote math and science curricula in schools through a variety of programs and incentives;
- Enhance awareness of occupational training programs and public-private workforce partnerships for students;
- Ensure that our schools are given a fair share of state funding; and
- Restrict retired public employees from double-dipping at taxpayers' expense.
