

Assemblyman Skoufis secured \$10 million to pave the Palisades

“For too long, hazardous conditions on the Palisades Parkway have jeopardized drivers’ safety. The funding I helped secure will be used to pave the parkway and keep motorists safe on the road.”

– Assemblyman James Skoufis

Skoufis successfully fought to **pave the Palisades** and make our roads safer

The Palisades Parkway between Bear Mountain Circle and the PIP Bookstore will be repaved later this year

The parkway between the bookstore and Exit 13 (Haverstraw/Suffern) will be repaved next year

Route 6 between the parkway and Route 293 will be resurfaced later this year

Questions? Concerns? My office is here to help.
