Assemblyman **James Skoufis**

Delivering real results for our community

Assemblyman James Skoufis fought to strengthen our economy

- ✓ Ensured Orange and Rockland counties were included when the income tax on upstate manufacturers was eliminated
- ✓ Secured funding for the Upstate Revitalization Initiative to spur economic development
- ✓ Fought for over \$13 million to improve road conditions on Route 207, Route 6 and the Palisades Parkway
- ✓ Increased funding for Small Business Development Centers
- ✓ Secured \$350,000 for the Veterans Entrepreneurial Assistance Program

Skoufis provided much-needed tax relief

- ✓ Extended the property tax cap and provided property tax rebate checks to put money back in the hands of hardworking New Yorkers
- ✓ Secured over \$500 million to support local schools and relieve the burden on taxpayers
- ✓ Sponsored a bill to ensure all veterans, including Iraq and Afghanistan veterans, receive property tax exemptions they deserve

Assemblyman Skoufis also sponsored a bill to **repeal the MTA tax** and is fighting to **raise the minimum wage** so taxpayers aren't forced to subsidize corporate profits.
